Weidmüller ⧓

Z-series
ZP 4 ZT4/4AN FX-SET
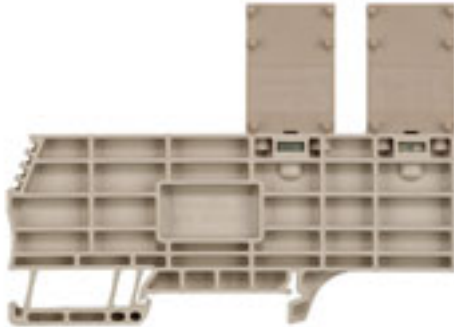

One terminal strip for the functional unit, one plug-in connector for the cable loom fabrication. All that remains to be done is to clip the two units together during final assembly – just like a plug-in connector. Finished! Whether for railway engineering, mechanical engineering or shipbuilding applications, all are served excellently by the products of the Weidmüller Z-Series. This is because the products are easy to use and practical, and the connections are simple, reliable and quick. Modular and flexible connection systems are especially in demand where complete functional units have to be prefabricated or replaced.

General ordering data

Order No.	1859750000
Type	ZP 4 ZT4/4AN FX-SET
Version	Z-series, Intermediate plate, Direct mounting
GTIN (EAN)	4032248425129
Qty.	20 pc(s).

Creation date June 5, 2013 4:33:11 PM CEST

Technical data

Dimensions and weights

Length	100.5 mm	Width	8 mm
Height	43 mm	Net weight	20.75 g

Temperatures

Operating temperature		Storage temperature	
Continuous operating temp., min.	-50 °C	Continuous operating temp., max.	120 °C

Additional technical data

Explosion-tested version	No	Installation advice	Direct mounting
Version	End and intermediate plate		

Material data

Material	Wemid	Colour	Beige
UL 94 flammability rating	V-0		

System specifications

Product family	Z-series
